

**June 15th-August 12th**

## **Summer Spark: Our Weekly Adventures!**

While summer is all about play, we are still building those preschool brains math, literacy, and social skills!

Get ready for 9 weeks of exploration, creativity, and non-stop fun. Here is our summer roadmap:

<b>Week</b>	<b>Theme</b>	<b>What we are doing</b>
Week 1 June 15th-19th	Little Builders	Engineering with Legos, magnets, and blocks!
Week 2 June 22nd-26th	Music and Movement	Musical storytelling, zumba classes, and dancing
Week 3 June 29th-1st	Celebrate America <b>(Facility Maintenance/Holiday July 2nd-3rd)</b>	Flag art, firework crafts, and a backyard s'mores roast
Week 4 July 6th-10th	Water World	Water play, boat building (recycled materials), and ocean art <b>(If weather permitted)</b>
Week 5 July 13th-17th	Halloween in July	Dress up days, spooky scavenger hunts, and teamwork activities
Week 6 July 20th-24th	Dinosaur Hunt	Digging for fossils, creating dinos, and a school wide Dino Hunt
Week 7 July 27th-31st	Young Chefs	Making variety of dishes and exploring global flavors
Week 8 August 3rd-7th	Rainforest Safari	Exploring habitats, animal facts, and jungle water play <b>(If weather permitted)</b>
Week 9 August 10th-12th	Bubble Burst <b>(Teacher Inservice Days Aug. 13th-14th)</b>	Soapy sensory fun, followed by a school wide bubble race <b>(If weather permitted)</b>

To make sure every child has the best experience, please remember:

- Water gear on week 4 and 8 (towel, change of clothes, and water shoes)
- Start thinking about those week 3 costumes. Anything goes for Halloween in Summer
- Please apply sunscreen before drop off. We will re apply for afternoon outdoor play if weather permits
